Chili Cook-off Free Will Soup Supper

The Chili Cook-off and benefit soup supper for Les and Jane Stoecklein was a great success. We had so much fun, and we did raise right at \$4,400.00 for the Stoecklein family. There were 27 entries of chili. The winner in the following categories were; White Chili, Denise Gross, Meatless Chili, Yvette Schlegel; Spicy Chili, First State Bank made by Andy Fellhoelter; Surprise Ingredients Chili, Janet Dennis; and Best Over-All Chili, Janet Dennis. I want to 2477-00 thank everyone that helped by submitting their chili, making a donations and making soups or desserts for the benefit supper. I would like to also thank the Board of Director, Committee Members and the Employees for supporting this benefit. Ness County is a wonderful place to live. When the community sees someone in need everyone goes out of their way to help. I am so proud to be part of this community. I am also so proud to be part of United Credit Union. "People helping People" I LOVE MY CREDIT UNION!

Breathe Easier With A Bill Consolidation Loan

Credit card bills atop medical bills atop heating bills. If your debt load is getting too heavy, contact the credit union about a Bill Consolidation Loan. Consolidating your debt at the credit union may actually save you money. For example, take a close look at that department store charge card statement. Don't be surprised if you find that you're paying an interest rate of 25 percent annual percentage rate (APR) or higher. So if you've charged \$1,000 and make payments of \$50 a month, it would take you more than two years to pay it off (27 months) and that's if you don't make additional purchases. Plus, you'd pay \$307 in interest. Ask us about a Bill Consolidation Loan. We'll show you how to pay off your bills with a low-rate loan from the credit union. It simplifies your life and will likely save you money. Call or stop by today for more information.

Although we have no button, your CU does have low-rate Bill Consolidation Loans
